

Dear Havelock Community Members,

We are pleased to announce an exciting and informative Corporate Social Responsibility (CSR) programme aimed at enhancing our community's understanding of cybersecurity. In today's digital age, awareness and knowledge about cyber threats are crucial for ensuring our online safety and security.

Programme Name: Cybersecurity Awareness Seminar: Protecting Our Digital Lives

Date: 10 Oct 2024

Time: 10:00 AM - 2:00 PM

Venue: Havelock Community Center, Main Hall

Guest Speaker: Head of Cybersecurity, CapitaLand

Programme Overview:

This seminar will provide a comprehensive overview of current cyber threats and practical strategies to protect yourself and your loved ones online. Topics to be covered include:

1. Understanding Cyber Threats: Types and Sources
2. Recognizing Phishing and Social Engineering Attacks
3. Best Practices for Personal Online Security
4. Protecting Sensitive Information: Dos and Don'ts
5. Q&A Session with our Expert Speaker

About Our Guest Speaker:

We are honored to have the Head of Cybersecurity at CapitaLand, as our guest speaker. With extensive experience and expertise in the field, Our speaker will share valuable insights and actionable tips to help us navigate the complex world of cybersecurity.

Why Attend?

- Gain crucial knowledge about cyber threats and how to stay safe online.
- Learn from an industry expert with years of experience in cybersecurity.
- Engage in interactive discussions and get your questions answered.
- Connect with fellow community members who share a common interest in cybersecurity.

How to Register:

Please RSVP by 1 Sept 2024 to secure your spot. You can register by contacting Sandy Wee at 91112222 or by signing up at the Havelock Community Center reception desk.

We look forward to your participation in this important seminar. Let's work together to create a safer and more secure digital environment for our community.

Thank you for your attention and support.

Best regards,

Organization/Community
